HURRAH! YOUR APPOINTMENT IS CONFIRMED!

Please take a moment to read through this sheet as it contains some important and helpful information for you about your appointment.

IMPORTANT! - BEFORE YOUR APPOINTMENT

- Please **shower, exfoliate and shave** the area to be tattooed the night before your appointment. This is important, it ensures your skin is in the best condition to retain the tattoo and helps to keep it looking fresh for longer.
- Please moisturise the area to be tattooed daily for a week before your appointment.
- If you have recently returned from a holiday and are tanned, please exfoliate the area well prior to your appointment.
- Do not have any injections or boosters for flu/covid the week before or after your tattoo.
- Do not dye your hair for 72 hours before or after your appointment.
- Refrain from consuming any alcohol on the day & the evening before your appointment. Anyone turning up for their appointment intoxicated will be refused and no refund will be returned.

GETTING HERE

- There are two customer parking spaces for your convenience. One spot is directly outside the shop on the pavement. The other spot is opposite the shop just before the car wash.

DURING YOUR APPOINTMENT

- Bring a soft drink and some snacks for you to consume during your session, if you are booked in for a day or over lunchtime a sandwich may also be handy to bring too.
- A blanket or throw for the colder months can also be handy.
- For best results, please keep your phone off or on silent during your session. Taking calls, texting or general phone use causes unnecessary movement and distractions.
- Getting a tattoo is painful. A calm, focused client gets a better result. You are welcome to have someone help you settle in initially, but we kindly request you are alone once the tattooing begins. Talking and moving make it harder to work with precision. Our studio is a relaxing space designed to help you stay relaxed and still for the best outcome.
- Lastly, please remember, all deposits are non-refundable. Please give us 48 hours notice for moving appointments. If you arrive late to your appointment or do not arrive at all with no notice to your appointment your deposit will be lost and we reserve the right to refuse to tattoo you.

!Remember! shower, exfoliate and shave the area to be tattooed the night before!
